

# Maths -- Grade 3

Topic: Numbers (Expanded form)

Revision exercises ( **Check your answers** )

1. I write the correct numeral.

**H**            **T**            **U**        **H T U**

Example: 3 hundreds, 4 tens and 2 units = **3 4 2**

**H T U**

a) 1 hundred, 5 tens and 8 units = **1 5 8**

**H T U**

b) 6 hundreds, 3 tens and 9 units = **6 3 9**

**H T U**

c) 5 hundreds, 4 tens and 1 unit = **5 4 1**

**H T U**

d) 2 tens, 4 units and 7 hundreds = **7 2 4**

**H T U**

e) 6 units, 8 hundreds and 2 tens = **8 2 6**

**H T U**

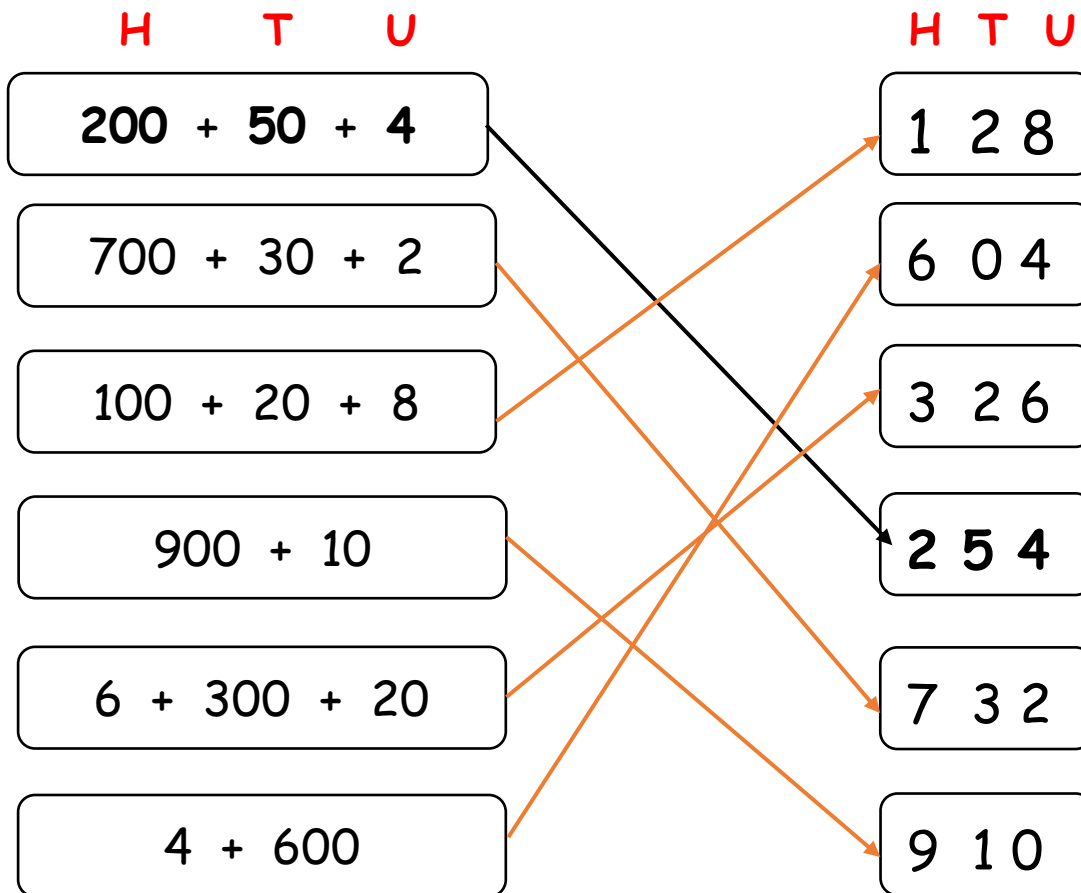

f) 7 hundreds and 4 tens = **7 4 0**

**H T U**

g) 2 hundreds and 5 units = **2 0 5**

2. I match with the correct numeral.

An example has been done for you.

3. I write the missing number.

H    T    U            H T U

a) 700 + 60 + 3 = 7 6 3

H                    T                    U                    H T U

b) 5 hundreds + 4 tens + 2 units = 5 4 2

T            H    U    H T U

c) 20 + 100 + 5 = 1 2 5

U            T            H                    H T U

d) 8 units + 7 tens + 2 hundreds = 2 7 8

U            H            T    H T U

e) 4 + 900 + 50 = 9 5 4
