Mom's Busy Day

My mom usually starts her day at six o'clock and has lots of work to do everyday.

First, she has a shower, then she has breakfast - an orange juice, cereal and toast. After that she prepares the family breakfast.

At about eight o'clock she leaves the house, takes us to school and goes to work. She works in a music shop. The shop opens at nine. She works all morning and then she has lunch at twelve. The shop closes at four o'clock and she goes home.

When mom arrives home, she does the daily household tasks - make the beds, iron, vacuum, clean and cook.

In the evening we have dinner. After dinner, mom helps us with homework and we go to bed at about half past nine.

My mom just goes to bed at midnight. So she has time to watch TV or use the computer. She likes to go on the internet to chat with her friends and families.

It's different during weekend! On Saturday afternoon she has some timeout and so she goes shopping. At night she and dad go out with some friends. They always have a good time!
